

Multiple Gift Cards can be used per purchase. The value of the Gift Card CANNOT be used in multiple instalments and cannot be exchanged for cash. The Gift Card is valid only for purchases in the Stations The Gift Card Cannot be combined with other promotions. After the Gift Card is loaded into your Petrol Office account, the amount you will use is deducted from the total amount and payment is made. **REDEMPTION INSTRUCTIONS IF YOU ARE NOT A MEMBER** Download the Petrol Ofisi mobile application from the App Store or Google Play application markets. Enter your name, surname and mobile phone information correctly on the first screen, then enter the single-use code sent to you in the "I Have a Reference Code" field and continue. To complete the membership process, proceed on the second page by adding your Positive Card information, if available, or the license plate information of your vehicle for which you will purchase fuel, and complete your transaction by entering the SMS code sent to your mobile phone. You can see that your gift has been loaded and its details in the "My Transaction History" section under the "My Account" tab on the home page of the mobile application. From this point on, when you go to Petrol Ofisi stations, which are members of Positive Card, you can complete your points redemption process by telling the officer in the market that you want to use your gift fuel for your fuel purchase, and by telling your phone number via POS. **IF YOU ARE ALREADY A MEMBER** Open the mobile application and log in, then click on the Menu tab on the home page of the application. By accessing the "Add Reference Code area" here and pressing the "Add New Reference Code" button, you can complete the code entry sent to you for the gift fuel and instantly view your campaign benefit in the "My Transaction History" section under the "My Account" tab. From this point on, when you go to the Positive Card member Petrol Ofisi stations, you can complete your points redemption process by telling the staff at the market that you want to use your gift fuel for your fuel purchase, and by telling your phone number via POS.
