

If you have a Bolt coupon code, you can use it by following these steps: Open the Bolt app. Go to the “Promotions” or “Discount Codes” section. Enter the coupon code. The discount will be automatically applied to your next ride. Terms of Use: All payments are processed in the local currency of the country where Bolt services are used. Coupons can only be redeemed in the country where they were issued. Coupons can be replaced if necessary. They can be accumulated. They can be used one or more times, until the full credit is consumed. They are non-refundable. If you encounter any issues using your coupon, please contact Bolt Customer Support: <https://bolt.eu/en/support/>
