

Atlantic Gift Cards are scalable prepaid bearer cards: they are cumulative and can be used for one or more transactions until the available credit has been used up, no later than the stated expiry date. See the voucher for further information about the expiry date. Atlantic Gift Cards cannot be refunded if lost, stolen or not used by the expiry date. The available credit cannot be converted into cash or transferred to a credit card. Atlantic Gift Cards enable Esselunga promotional card holders (i.e. Fidelity Card) to benefit from the discounts and savings opportunities available at Atlantic Bars in the same way as goods paid with cash or with other "Fidelity" means of payment.
