

An E-Gift Card is a gift card that gets emailed to either yourself or to the person you wish to give it to instantaneously. It is the perfect gift you can email to your family, friends, or partner if you can't be there on that special day. E-Gift Cards are redeemable both in-store and online and have a 36-month validity. Please note that: Australian Gift Cards can only be used online at <http://www.brasnthings.com> or in Australian stores. E-Gift cards cannot be returned or exchanged for cash. E-Gift cards are treated as cash and cannot be replaced if lost or stolen. Funds available on your E-Gift card can be verified at any time by either checking online at the Bras N Things website, or by asking for assistance at any Bras N Things store. No change will be given from a purchase made with an E-Gift card; instead, any balance will remain on the E-Gift card and can be used in whole or as part payment against future purchases within the validity period of the card.
