

Okaïdi-Obaïbi is a universal, creative children's clothing brand that respects every child's identity. We offer all babies, boys, and girls the best and most essential clothing items to meet their needs, express their personalities, and prepare them for future challenges. Both practical and ergonomic, our garments adapt to daily activities while keeping up with fashion trends. Your children can move and express themselves freely in durable, functional clothing. The Okaïdi gift card can be used on the website [okaidi.es](http://okaidi.es) and in all Okaïdi stores that participate in the Gift Card program. The Okaïdi gift card can be used in one or several transactions (up to 3 times) and can be completed with another payment method (for a remaining balance above €1). The gift card is valid for one year from the date of activation. It cannot be exchanged, replaced, or credited to an account, and it cannot be refunded, even partially, in case of loss, theft, damage, destruction, or expiration. Online: Use your card online at [okaidi.es](http://okaidi.es) Once your basket has been confirmed, select payment by gift card. Then enter your card number and PIN code, and click on "Register gift card." The process will be carried out automatically. You can then complete the payment with a credit card if needed. In store: Ask to have your phone or printed page scanned directly at the checkout. You can then complete the payment with a credit card or in cash if necessary.
