

Snowit is the platform dedicated to mountain and snow lovers, where you can discover experiences, ski passes, activities and services designed to help you enjoy your snow holiday to the fullest. With Snowit Gift Cards, you give the freedom to choose: recipients can decide when to enjoy the mountains by selecting from Rentals, Lessons, Hotels + ski passes. The Snowit Gift Card is valid for 1 year from the date of purchase and cannot be combined with other Gift Cards or offers. However, it can be used multiple times: any remaining balance will be available for future purchases using the same discount code. To use it online, enter the discount code in the “Do you have a discount code?” field during checkout and click “Apply”: the amount will be deducted from the total. Gift Cards cannot be used together with other active promotions. Need support? Visit the Snowit website for more information or contact the dedicated Customer Care team.
