If this e-Gift Card and barcode are lost or redeemed by cooperating merchants for various reasons, any resulting losses must be borne by the consumer, and replacements will not be issued. 2. The amount on this e-Gift Card can be used multiple times. Once the amount inside is deducted to NT\$0, it cannot be used again. 3. This e-Gift Card was issued with a uniform invoice at the time of sale, and a transaction statement is issued when the goods are collected. (The transaction statement is only for purchase details verification and returns, and cannot be used for invoice prize redemption). 4. This e-Gift Card has limited quantities and is available until sold out. 5. If this e-Gift Card encounters promotional activities with limited quantities or specific products during company promotions, it will not be exchangeable. Please refer to the company's event announcements for detailed event terms and conditions. Any matters not covered will be handled according to the company's relevant announcements. 6. This e-Gift Card can be redeemed at all FamilyMart convenience stores across Taiwan. However, it cannot be used for bill payments, tobacco products, consigned goods, and non-invoice sales/services. Starting from February 2023, certain businesses such as gaming cards, home delivery services, telecommunication top-ups, and international express delivery will no longer accept payment via this gift card, due to IFRS and tax regulations. 7. This e-Gift Card can be stored in Fami Wallet since 12 May 2021. Once stored, this e-Gift Card is considered redeemed, and cannot be returned to the original card. 8. This e-Gift Card has special specifications and restricted functions (such as corporate project cards, exclusive cards, etc.) cannot be stored in Fami Wallet. 9. The upper limit for transferring this e-Gift Card to Fami Wallet is NT\$5,000. 10. Upon transferring this e-Gift Card to Fami Wallet, the transaction method remains the same as this e-Gift Card and cannot be used for bill payments, tobacco products, consigned goods, and non-invoice sales/services. From February 2023, certain businesses like gaming cards, home delivery services, telecommunication top-ups, and international express delivery will no longer accept payment via Fami Wallet, due to IFRS and tax regulations. 11. For returns or exchanges after using Fami Wallet for transactions, please bring the original transaction details. The refund amount will be returned to the original Fami Wallet and cannot be refunded in cash. 12. For detailed guidelines on the usage of this e-Gift Card, please refer to the official FamilyMart Gift Card website announcement information at https://www.family.com.tw/Marketing/en/Convenience/Giftcard#part_A .
