

The recipient must have an active and valid account to redeem the eGift Card at the same store where it was issued. After a successful purchase, you will receive your eGift Card from the purchasing platform. The eGift Card is available for use across all global locations where the service is officially supported. Each eGift Card has a unique code that corresponds to a specific amount of in-game currency. The recipient is responsible for the safekeeping of the eGift Card. The eGift Card may be subject to other terms and/or conditions of Baloot. **How to Use Your eGift Card** The eGift Card can be used to top-up your in-game currency for the specified game UID. Visit the Baloot website at <https://giftcard.sawagames.com/>. Click on the input field at the top of the screen and enter the game UID you wish to top up. Enter the unique eGift Card code you received and click “Redeem.” Once verified, the page will display “Redemption Successful,” and the value will be credited to the specified game UID. eGift Cards once issued cannot be canceled, exchanged, extended or refunded and are subject to the terms & conditions of the merchant. Items purchased using this eGift Card are refundable as per the refund and exchange policy of the merchant. The merchant is solely responsible for the product & service provided to customers through the use of this eGift Card.
