

E-gift cards are available to purchase from [www.aspinaloflondon.com](http://www.aspinaloflondon.com) and are redeemable on [www.aspinaloflondon.com](http://www.aspinaloflondon.com) only. A minimum value of €50 and a maximum value of €1000 can be activated with a limit of one gift card per transaction online. E-Gift cards cannot be used to purchase e-gift cards or other vouchers, e-gift cards can not be exchanged for cash. E-gift cards must be purchased in the correct currency depending on the selected shipping country of the final purchase. For example E-Gift cards purchased in £ will only deliver product orders placed to U.K & Channel Islands, \$ e-gift cards will only deliver product orders placed to USA and markets where USD is accepted, etc. E-gift cards are valid for 24 months from date of last use whereby the remaining balance will be deducted, after such time the Gift Tender shall expire. Last use is when a E-gift card has been activated or redeemed. There are no limitations on how many times a E-gift card can be used (until the balance is €0.00). If you do not spend the entire balance on a Gift Card, the remaining balance will be visible online. E-gift cards will be dispatched by email to your designated email account you've provided to us, as soon as Aspinal of London is in receipt of cleared payment for the E-gift card. Aspinal of London shall not be liable or responsible for E-gift cards that are unable to be delivered due to your error (for example, typing errors, misspelt or incorrect email addresses), spam filters, firewalls or mailbox restrictions. Aspinal of London reserves the right to revise and update the E-gift card terms and conditions at any time. This does not affect your legal rights. Use of your E-gift card constitutes acceptance of the terms and conditions. Your e-gift card is the property of Aspinal of London and we maintain the right to cancel the card in situations where it may be deemed necessary. :<https://helpdesk.aspinaloflondon.com/hc/en-gb/articles/360001639378-Terms-and-Conditions>
