

The Coop digital voucher can be used at authorized Coop and Doc Roma stores. The voucher has a face value of €20 and must be used in a single transaction (no partial spending) for a purchase of equal or greater value. Vouchers can be combined in a single receipt or used in multiple transactions. To use the voucher, you can either print it or show it on your mobile device so that the cashier can scan the barcode on it. The voucher can be used to purchase any merchandise in the store, except for service payments (e.g., bills, fees, etc.). The expiration date is indicated on the voucher. After this date, the voucher expires and is no longer valid. The voucher is non-refundable, does not provide change, and cannot be converted into cash.
