

El Corte Inglés is a distribution group in Spain made up of companies of different formats, the main one being the department store. El Corte Inglés gift cards are cumulative and can be spent on multiple solutions. The Virtual Code is a 13-digit numeric code plus an associated 6-digit PIN, which can be used to make purchases at www.elcorteingles.es and www.elcorteingles.com, as well as to pay in physical stores through the El Corte Inglés app: <https://www.elcorteingles.es/app/> . (*Except for mattresses, furniture (made-to-measure or personalized), air conditioning, flowers and gifts, and supermarket items.) How to pay with Virtual Codes? On the El Corte Inglés website: Payment on the El Corte Inglés website is made by entering the full Digital Code number and PIN in the payment gateway under “gift card payment method.”
