

BP is one of the leading global energy companies, operating in 78 countries and present in Spain since 1954. We have 750 service stations and over 2,000 employees nationwide. BP supplies energy products and services worldwide, increasingly aimed at driving the transition toward a lower-carbon future. Redeemable at all BP service stations participating in this promotion within Spanish territory. Find your nearest station [here](#). Present the code of this card along with a BP loyalty card (miBP, virtual card from the miBP app, or Plan DinoBP). If you don't have one, you can download the miBP app to generate a virtual card and receive a €5 welcome bonus (for new customers only). Once redeemed, the full balance of this card will be transferred as miBP savings to your BP account and can be used as you wish within 3 months. Valid for fuel purchases. Can be combined with BP discounts (miBP savings and miBP points, which you will accumulate for each refueling paid with this card). For any questions, please contact miBP customer service at 911 799 166.
